

Registration for 2015 Empire State Building Run-Up Opens Today

Pinnacle Event in Global Tower Running Set for Wednesday, February 4, 2015

NEW YORK – December 1, 2014— Empire State Realty Trust, Inc. (NYSE: ESRT) today announced that the invitational registration for the 2015 Empire State Building Run-Up Presented by Marmot, set for Wednesday, February 4, 2015, will open today at 12:00 PM ET and close on Sunday, December 14, 2014 at 11:59 PM ET. Runners may register for an opportunity to enter the Empire State Building Run-Up online at www.nycruns.com/esbru.

Runners who apply to climb the 1,576 steps and 86 floors of the World’s Most Famous Office Building will be notified of their race status via email on Monday, December 22. Of the thousands of runners from around the world who enter the invitational for an opportunity to participate in the Empire State Building Run-Up, only a select few will have the chance to participate. Race entry is \$125 per applicant, but will only be charged once the applicant is notified of his or her selection as a participant.

###

About the Empire State Building

Soaring 1,454 feet above Midtown Manhattan (from base to antenna), the Empire State Building, owned by Empire State Realty Trust, Inc., is the “World’s Most Famous Office Building.” With new investments in energy efficiency, infrastructure, public areas and amenities, the Empire State Building has attracted first-rate tenants in a diverse array of industries from around the world. The skyscraper’s robust broadcasting technology supports all major television and FM radio stations in the New York metropolitan market. The Empire State Building was named America’s favorite building in a poll conducted by the American Institute of Architects, and the Empire State Building Observatory is one of the world’s most beloved attractions as the region’s #1 tourist destination. The Company also owns land at the Stamford, Connecticut Transportation.

Forward-Looking Statements

This press release includes “forward looking statements”. Forward-looking statements may be identified by the use of words such as “believes,” “expects,” “may,” “will,” “should,” “seeks,” “approximately,” “intends,” “plans,” “pro forma,” “estimates,” “contemplates,” “aims,” “continues,” “would” or “anticipates” or the negative of these words and phrases or similar words or phrases. The following factors, among others, could cause actual results and future events to differ

materially from those set forth or contemplated in the forward-looking statements: the factors included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, including those set forth under the headings "Risk Factors," "Management's Discussion and Analysis of Financial Condition and Results of Operations," "Business," and "Properties." While forward-looking statements reflect the Company's good faith beliefs, they are not guarantees of future performance. The Company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, or new information, data or methods, future events or other changes after the date of this press release, except as required by applicable law. For a further discussion of these and other factors that could impact the Company's future results, performance or transactions, see the section entitled "Risk Factors" in the Annual Report on Form 10-K for the year ended December 31, 2013, and other risks described in documents subsequently filed by the Company from time to time with the Securities and Exchange Commission. Prospective investors should not place undue reliance on any forward-looking statements, which are based only on information currently available to the Company (or to third parties making the forward-looking statements).
